Hi, I'm Grace J Teal, currently the UK's #1 Glamour Model of the Year. Yes, I am currently single since October and it's staying that way until Mister Right comes along. I've had a few dates, but have not met anybody yet who has taken my eye. I've been featured in music videos and many national and international newspapers and magazines. My forthcoming plans for 2019 are to concentrate on my presenting career and some Reality TV shows. I'm currently waiting for the TV show I filmed in January/February to air in May which I am super excited about. My celebrity crush is Anthony Joshua all day long! My favourite food: I love a good peppercorn sauce and triple cooked truffle chips. Secret talents: I like to pull a front flip out of the bag when I've had a drink lol!
